

# The William Morris Memorial Hall in Kelmscott needs a new roof!

Please support our  
**Raise the Roof Campaign**  
if you can by text donation via  
JustTextGiving.

The hall's roof dates back to when the building  
was finished in 1934, and unfortunately it is  
not going to last much longer!

This is going to cost a considerable sum to  
replace, and we are currently looking into  
grant funding to help; but we thought that a  
JustGiving initiative would be a good way to  
start the ball rolling!

All money raised comes direct to us,  
a registered charity no. 304323
